ABOUT

Scientific Medical Devices, Inc. (SMDI) is a nutraceutical manufacturing and marketing company. It has been in business since 1993 and brings together professionals dedicated to improving health and quality of life. Our staff includes MDs, immunologists, pharmacists, chemists and engineers dedicated to bringing the highest potency of natural products available to the market.

OUR GUARANTEE

We stand behind our guarantee that all of our Nutritional Nutraceuticals and Cosmeceuticals are made of the highest quality resources available. For over 10 years our satisfied customers continue to reorder our products and share their experience with our line of Meeker Raspberry products by Raspex.
